

## Receiving Christs Hope (Jesus Calling Bible Studies)

After many years of writing in her prayer journal, missionary Sarah Young decided to be more attentive to the Saviors voice and listen for what He was saying to her. The result was Jesus Calling, a collection of personal reflections based on Jesus own words of hope, guidance, and peace found in the Scriptures. Through these messages, countless people have been encouraged to experience a deeper relationship with the Lord as they also learn to listen for His voice in the pages of the Bible. In Receiving Christs Hope, the third study in the Jesus Calling Bible Study Series, you will explore the promises God makes to you in His Word about finding your shelter and security in Him. Jesus said, Peace I leave with you; my peace I give you (John 14:27). As you allow Gods love to seep into the inner recesses of your being, put aside your own plans, and let the light of His presence fill your mind, you will experience His perfect peace that transcends all understanding (Philippians 4:7). Each of the Jesus Calling Bible Studies include devotional readings from Jesus Calling, selected passages of Scripture for reflection, Bible Study questions, and additional questions and activities to help you apply and live out the material during the week. This study can be used for personal reflection and Bible study or in a small-group setting.
