

The Last Oracle Series (Books 1-3): Sacrificed, Forsworn, Divined, & The Commander (A Short Story)

Read all three books in the epic Teen & YA series available for the first time in a boxed set. **Sacrificed** (The Last Oracle, Book 1) Knowing the future can save her city - but not her heart...Born to serve the merciless Oracle, Clio wants nothing more than to break free. But when her entire family is murdered by Mannix, the king's adviser, Clio inherits the Oracle's power, a power she never wanted and doesn't understand. Hunted by Mannix, Clio is forced to flee her home in Sheehan and seek refuge in a foreign city where oracles are forbidden. If she's found out, she will be sacrificed atop its great pyramid. Clio has no choice but to win the trust of Riece, an enemy warrior. Despite the undeniable attraction between them, Clio knows that if he finds out who she really is, he won't hesitate to execute her. Clio tries to hide her budding powers, but the Visions she keeps having of Mannix and his barbarian army slaughtering her people torture her conscience. She alone has the strength and foresight to stop him, but only if she can embrace her destiny and sacrifice everything. **Forsworn** (The Last Oracle, Book 2) Clio can see the future, but what she doesn't know about her past could destroy her. It's been a year since Clio made her sacrifice to the Deities and embraced her destiny as the Oracle to save her people. The only family she has left is a brother who wants her dead. The prince, her oldest friend, is a king with his own agenda. And the man who once loved her, now hates her. All she can do is try to forget about Riece, the enemy commander whose heart she broke to save his life, as she serves the Deities. Her days are filled with Visions and bloodshed in a never-ending war against the Untouched. To add to her problems, she must pose as King Deriks' mistress to conceal her forbidden powers from the Emperor's spies. When Riece unexpectedly returns to Sheehan with a new and beautiful ally, Clio knows she

must put him out of her mind once and for all, but first, they are thrust together into battle against a mysterious Untouched warrior with otherworldly power. To reclaim her city, she must team up with the man she hurt, the man she still loves but can never be with, and finally confront the questions about her origin--questions with answers that Clio may not be prepared to face. Divined (The Last Oracle, Book 3) The epic conclusion to the Last Oracle Series...Clio has forsaken the Deities and turned her back on her powers. Unable to trust her Visions, she is left alone and weak on the outskirts of Sheehan. When the Emperor hears that an Oracle has survived in the Empire, he places a price on her head, forcing Clio to flee to the ancient city of Cearo. But the Deities have other plans for Clio, and its not long before she is faced with new foes, including a priestess with uncanny powers. With rumors of unrest in the Empire growing and alliances within the nobles shifting, Riece seeks out Clio with a desperate plea. To protect the Empire, Clio will have to return to where her journey began--the sacrificial pyramid of Morek--to fight a new evil in an unimaginable form and confront the greatest enemy she's ever known: her father. The Commander (A Sacrificed Short Story) In this short story addition to Sacrificed, discover Rieces point of view when he first met his new and beautiful prisoner, Clio, inside Moreks great pyramid.
