

THIRD STRIKE: Charlie Fox book seven (The Charlie Fox Thrillers 7)

THIRD STRIKE is the seventh in Zoe Sharps highly acclaimed Charlotte Charlie Fox crime thriller series, complete with authors notes, an excerpt from FOURTH DAY: Charlie Fox book eight, and a taster of Australian thriller writer PD Martins exciting new novel HELLS FURY. I was running when I saw my father kill himself. The last person ex-Special Forces soldier turned bodyguard, Charlie Fox, ever expected to self-destruct was her consultant surgeon father. But she is shocked to see him throwing away his reputation on the New York news, and knows she cant stand by and watch him fall. Thats not easy when the emotionally distant Richard Foxcroft rejects her help at every turn. The good doctor has never approved of Charlies career choice?or her boss, Sean Meyer. Now, just as Charlie and Sean settle into their new life in the States, Foxcroft seems bent on ruin, taking his daughter and everyone she cares about with him. But those behind Foxcrofts downfall have not bargained on Charlies own ruthless streak. A deadly professional whos always struggled to keep her killer instinct under control, this time she has very personal reasons for wanting to neutralise the threat to her reluctant principal. When the conspiracy reaches deep into a global corporation with unlimited resources, the battle is going to be bitter and bloody. Third Strike hits home with the impact of a high-velocity jacketed round . . . Nothing hollow-point about this book! Breathlessly compelling and utterly real, this novel will keep you turning pages till dawn. Charlie Fox is simply the best . . . Jeffery Deaver Zoe Sharp is going to be a superstar. Jon Jordan, Crimespree magazine A breathtakingly fast-paced thriller. Romantic Times Captures readers on the first page and doesnt let go. Highly recommended. Library Journal starred review Gripping . . . Sharp expertly captures the frenetic energy of New York without sacrificing

her trademark British wit. Charlie is as tough as she is damaged, and readers will kill for the next instalment. Publishers Weekly Zoe Sharp writes some of the best thrillers around . . .
