

Forget Me Not (Navy SEAL Team Twelve Book 1)

A Hero's Nightmare Gabe Renault doesn't know why he was in a prison camp. He has no memory of the past three years or of the Navy SEAL mission that went wrong. Only two things kept him going: thoughts of his wife and the certainty that he must escape. A Sudden Homecoming After Gabe is presumed dead, Helen Renault pulls the tattered pieces of her and her daughters' lives back together. Married young and for all the wrong reasons, she's standing on her own two feet at last—and proud of it. Then comes the biggest shock of all—Gabe returns home. Gone is the distant, secretive husband he once was. This new Gabe is a man she could easily, finally, lose her heart to. But his memory is slowly returning, exposing a trail of government treachery...and jeopardizing his and Helen's second chance at love.
