

Looking for Rachel Wallace (Spenser)

Spenser is...The sassiest, funniest, most-enjoyable-to-read-about private eye around today...the legitimate heir to the Hammett-Chandler-Macdonald tradition. --The Cincinnati Post Spenser is...Tougher, stronger, better educated, and far more amusing than Sam Spade, Phil Marlowe, or Lewis Archer...Spenser gives the connoisseur of that rare combination of good detective fiction and good literature a chance to indulge himself. --The Boston Globe
