

Pioneer Life Sticker Picture (Dover Sticker Books)

What was log cabin life like on the American frontier? This clever sticker picture book provides some of the answers. On the inside front cover, you'll see the interior of a log cabin with fireplace, small bed, storage shelves, and a few supplies. On the inside back cover, there's a scene of a homesteader's small farm complete with log cabin, pasture land, vegetable garden, and barnyard animals. To bring these scenes to life, simply remove the staples and sticker pages to use the 18 1/2 x 12 1/4 laminated backdrops on the inside covers. To these areas add any or all of the 50 full-color stickers, depicting a cast-iron stove, cooking pot, benches (with seated youngsters), a kerosene lamp, roosters, seed bag, buckets, as well as family members preparing meals, sewing, milking a cow, chopping wood, and engaged in other activities. Since the stickers are reusable, youngsters can vary these scenes as many times as they want while learning about life in a pioneer environment.
