

The Indignation of Haruhi Suzumiya

Two stories continue the adventure in Volume 8 of the Haruhi Suzumiya series. Editor-in-Chief, Straight Ahead! Since the beginning of the year, the SOS Brigade has been masquerading as the Literature Club to be recognized as an official high school organization. But when the new student council president threatens to disband the group, the members must write a collection of literature. Naturally, Haruhi assumes the role of editor-in-chief and leads the team to publication with hilarious results. Wandering Shadow From writers to detectives, the SOS Brigade does it all. When fellow classmate Sanaka comes to the club seeking help, the team (well, Haruhi) is up to the task. A well-trodden popular park path has suddenly begun to terrify the neighborhood dogs, and Haruhi suspects that it's being haunted by animal spirits. It looks like the SOS Brigade is about to perform its first canine exorcism!
