

Virtues of Madinah Munawwarah

Introduction Presenting oneself in the court of Rasulallah [PBUH], in the beautiful city of Madinah Munawwarah, is among the greatest blessings and fortunes any Muslim can be blessed with. Any person blessed with this great opportunity should understand the great bounty of Allah Taala upon him. An avalanche of sawaab and reward has come his way. Thus the visitor to Madinah Munawwarah should acquire maximum benefit from his visit. Many people, due to the lack of knowledge, end up ruining their visit to this sacred place and lose all their opportunities to earn millions of rewards. Visiting the Raudha Mubaarak, (the grave of Rasulallah [PBUH]), is the highest of all mustahab actions. The opportunity of presenting oneself in the noble court of our beloved master [PBUH] and reciting durood uponhim, standing right in front of his grave, is indeed a golden opportunity for us. It is therefore incumbent to first prepare ones mind and heart before reaching Madinah Munawwarah. This book is directed especially towards the person who will be visiting Madinah Tayyibah. One should read this book several times over before going to Madinah Munawwarah and carry it along with him to read it in Madinah Tayyibah as well. Insha Allah by reading this book the azmat (greatness) of this mubaarak place will be created in the heart of the visitor and he will Insha Allah derive the maximum benefit from this place.
