

Looking for David (A Matthew Scudder Story Book 7)

I began writing about Matthew Scudder in the mid-1970s. The first novel, *The Sins of the Fathers*, appeared in 1975, and *A Drop of the Hard Stuff* the 17th and most recent was published in 2011. Over the years Scudder has also been featured in 11 short works of fiction. *Looking for David* is the seventh of these; it first appeared in 1997 in *Whydunit*, a collection of stories by members of the Crime Writers of Canada, and ran the following year in *EQMM*. The story grew out of a couple of threads my recollection of the role the statue of David played in my hometown of Buffalo, and a woman's observation on the metamorphosis of her husband from Greek god to Roman emperor. Ah, well. These things happen. *Looking for David* is included in *The Night and the Music*, my collection of all 11 Matthew Scudder short stories, available for Kindle or in handsome trade paperback form.
