

## The Messages of Rediscovering the Kingdom, Volume 4

When governments collapse, human philosophies fail, and your life is crashing down around you, Rediscovering the Kingdom will become your guide through the treacherous storms of the 21st century. All of the past ideologies have failed: humanism, communism, totalitarianism, fascism, socialism, and even democracy. This is a true philosophy, an ideology that will not fail, for it was born in the heart of God Himself.
