

The Mustard Seed (Abundant Life Book 1)

Days away from beginning her final year of undergraduate studies at Lifegate Christian College, Therese Robinson wonders what the coming months will hold and where she will be when graduation rolls around in the spring. After spending another summer as a camp counselor, she knows she will miss being there with her friends, and with one person in particular. Can she really say good-bye to Logan when she sees him one last time at Jason and Katies wedding, or will Logan persuade her to see things differently? Hearing some troubling news from a friend when she returns home, she isnt sure how to help. Giving in both practical and encouraging ways isnt enough. Celina needs more than she can give and must make difficult choices for herself, but Therese hangs in there with love, friendship, and faith-filled prayers like...The Mustard Seed. * The Mustard Seed is the first book in the Abundant Life series, and also follows the final book in the Garden of Love series (Forget Me Not). Books in the Abundant Life series may be read in any order and are recommended for teen and college-age readers.
