

## Three Blind Mice (St. Martins Minotaur Mysteries)

A blinding snowstorm--and a homicidal maniac--traps a small party of friends in an isolated estate. Out of this deceptively simple set-up, Agatha Christie fashioned one of her most ingenious puzzlers, which, in turn, would provide the basis for *The Mousetrap*, the longest-running play in history. From this classic title novella to the deliciously clever gems on its tail (solved to perfection by Hercule Poirot and Miss Jane Marple), this rare collection of murder most foul showcases the intangible Christie at her inventive best, proving her reputation as the champion deceiver of our time.
