Nature has made our body so adaptable, taking into view its bio physiological makeup that fruit, vegetables, spices, and other natural products are extremely beneficial in helping to heal natural ailments. This book is going to tell you all about these natural remedies which have been practiced down the millenniums by Wise Men down the ages, to help heal and cure problems. These remedies were also supported with natural products like milk, butter, and yogurt along with honey to provide the body with its deficiency of vitamins, minerals and carbohydrates, which may have been the possible causes of deficiency diseases. Down the ages, men have been using ginger, onions, garlic, radishes, lemons, apples, carrots, different vegetables, herbs, spices, and milk products like yogurt, butter, and milk to provide man with nourishment as well as healing natural materials. However, these

remedies were also supplemented with lots of fruit, which would help in helping keeping him healthy. So pick out your favorite fruit and see how it is going to cure you of common ailments.
