

Power of Aleph Beth (French Language Edition, Vol. 2)

The most important book on power ever written for the general reader. THE POWER OF ALEPH BETH takes us on a fantastic journey into the middle of the most savage space war ever. In this striking ground breaking book, Kabbalist Rav Berg blazes the kabbalistic trail through the uncharted terrain of cosmic activity, human star wars and control of our destiny. POWER OF ALEPH BETH confronts us with a profound challenge to everything we thought we knew about the nature of reality.
