

Vicious Circle (Felix Castor Novel Book 2)

Felix Castor has reluctantly returned to exorcism after a successful case convinces him that he really can do some good with his abilities---good, of course, being a relative term when dealing with the undead. His friend Rafi is still possessed, the succubus Ajulutsikael (Juliet to her friends) still technically has a contract on him, and hes still dirt poor. Doing some consulting for the local cops helps pay the bills, but Castor needs a big private job to really fill the hole in his bank account. Thats what he needs. What he gets is a seemingly insignificant missing ghost case that inexorably drags him and his loved ones into the middle of a horrific plot to raise one of hells fiercest demons. When satanists, stolen spirits, sacrifice farms, and haunted churches all appear on the same police report, the name Felix Castor cant be too far behind...
