

Red Angel (Bo Blackman Book 4)

With the dust still settling from the brutal attack on the Agathos court and Rogu3s school, Bo Blackman is forced to live with her newfound status as a celebrity. She's still determined, however, to track down those responsible - and to solve the mystery of Tobias Renfrew, the daemon billionaire who disappeared over fifty years ago. Her investigations will lead her to places as far removed as a military base and the sinister Black Market. One thing is for sure - once Bo's done, nothing will ever be the same again. This is the fourth book in the Bo Blackman series. 1. Dire Straits 2. New Order 3. High Stakes
