

When Grace Sings

When trouble roars into quiet Arborville, Alexa and Anna-Grace find themselves the target for discord and exposed secrets. Can they continue to seek the God of all grace amid the fog of confusion? Alexa Zimmerman wonders if the Old Order Mennonite community in Arborville, Kansas, will ever fully accept her. Her family roots here aren't what anyone thought when she first arrived, but she is hopeful that her culinary and hospitality skills will win over the skeptics. The bed-and-breakfast she's operating needs to succeed, so Alexa agrees to allow Briley Forrester, the hotshot reporter from Chicago, to stay as a long-term boarder, not knowing his real motives for being among the Plain folk. But when Alexa agrees to host her cousin, Anna-Grace Braun, the presence of extended family brings out Alexa's insecurities and sets Briley on the trail to uncovering a web of hidden truths. Plans for a secure future and the sweetness of young romance hang in the balance when Alexa and Anna-Grace have to face that their secrets are interconnected, binding the two in ways they could not have imagined. They must trust in a loving, heavenly Father and his plan for their futures.
