

## Haunting in Williamsburg (Avon Camelot Books)

At first Jayne thought she was dreaming. Staying in colonial Williamsburg in a house one owned by her ancestors, She was used to seeing people dressed in old-fashion costumes...but not in the middle of the night, not standing at the foot of her bed...The trouble stranger was Sally Custis, a young girl who once lived in the house. She was haunted by a terrible wrong she had done over 200 years ago and she begged Jayne to help her set it right. But little did Jayne know when she stepped among the dead in the darkened old graveyard, that a chilling hand of evil would reach out to stop her from discovering a long buried truth...
