

A Flower Girl Murder (A Primrose and Sage Cozy Mystery Book 1)

Nothing ruins a wedding like a deadly secret and a cold-blooded murder. After her life falls apart following a disastrous incident, Sage moves in with her sister Primrose in the small coastal town of Rosecliff. Primrose, a perfect housewife and an avid gardener, has been hired to decorate the first wedding that the town has seen in three years. While helping her sister set up for the wedding, Sage overhears a suspicious conversation. A sudden death that puts an end to the wedding ceremony before it has even begun suddenly doesn't seem so natural. Sage, with the help of Primrose, starts to uncover a series of mysterious clues that seem to be leading straight to the culprit. This is a novella-length humorous cozy mystery with romantic elements and the first book in the Primrose and Sage Cozy Mysteries series.
