

## Enemy Within (Presents Plus)

She Had to Harden Her Heart! A troubled childhood and a disastrous love affair had left Michaela older and wiser and vowing never to get close to anyone again. And that certainly included photographer Ryan Douglas with his legendary reputation as a womanizer! Ryan was determined to believe that Mickey had encouraged her half sister to run off with his wealthy nephew and he was going to make Mickey pay the price by demanding that she join his search for the missing pair. Ryan was Mickey's enemy: he had the power to threaten the whole fabric of her life and even if she wasn't able to avoid being with him, she could refuse to fall in love!
