

## Jesus Trek: The Voyage of Christ

Heaven is our final frontier, because of the work of Jesus no matter what we go through here on earth, as Children of God we have been assured eternal life through Jesus. It is only fitting we spend this summer teaching children who Jesus is and what he has done. There are religions and political groups during Jesus time that professed to be true believers. Most were so caught up in their laws and traditions they missed the real Messiah. They were rigid and self-righteous and couldn't possibly accept Jesus as the Son of God. During this VBS, we are going to be visited by the Jewish High Council they will be made up of people of each of the classes of religion at the time: Pharisees, Sadducee, Teachers of Law, Herodian, and Zealots. These will be a group of people who left their religious groups to search for the truth. They will seek truth from the United Christian Federation. Through interviews and expert witnesses, the UCF will help solve the mystery and determine that Jesus is indeed the Son of God and has come to save the lost, heal the sick, and give eternal life.
